Dear Connie,

On behalf of the Board of Directors, I would like to congratulate **CCI, Inc. dba Carpet Corner of Indianapolis** on achieving MICCS Certified Status for 2013. This recognition places you in an elite group of contractors and makes a very significant statement to the construction industry in Central Indiana. Your achievement clearly shows your commitment to construction safety and more importantly your commitment to worker safety.

By succeeding in your efforts to become MICCS Certified, you have demonstrated that your company safety program not only supports the activities in which your workforce is engaged, but it also functions to keep your workers safe as evidenced by outstanding safety statistics. I hope you continue to demonstrate the values and commitment necessary to maintain this leadership position among your peers.

Throughout your tenure as a MICCS Certified contractor, I hope that you will display the unique MICCS Certified logo on your company WEB site, stationery, business cards, jobsite signs and any other printed or posted material associated with your company. Please feel free to copy the logo from our MICCS Certification Website or call the MICCS office at 317-686-2670 and we will be happy to send it electronically.

Thank you for your continued efforts toward helping achieve the solitary goal of MICCS: **Zero Injuries** on construction jobsites in Central Indiana.

Sincerely,

Scott Grimes  
Executive Director

## CCI, Inc. dba Carpet Corner of Indianapolis Letter of Intent to Enter into Agreement

This is to certify that duly-authorized representatives of the above-named company have read and fully understand the responsibilities of the company as they relate to the "Partnership Program" between the Indiana Department of Labor's (IDOL) Indiana Occupational Health Administration (IOSHA) and the Metro Indianapolis Coalition for Construction Safety (MICCS). The "Partnership Program" herein referenced is signed by IDOL Commissioner Lori Torres and leaders of MICCS.

Having done so, this company, by virtue of the execution of this document accomplished by the signature below, agrees to abide by those responsibilities as they pertain to the company in the aforementioned "Partnership Program." Upon receipt of this document by MICCS, a review of the Company's current status in the MICCS Certification Program and in the records of the IDOL will occur. The company will then be notified whether it has achieved "Certified Partner" status.

"Certified Partner" companies are those whose safety programs and record are excellent and that the company is fully qualified to join MICCS and IDOL toward accomplishing our mutual goal of achieving "zero injury" on construction job sites.

IDOL and MICCS look forward to working positively with this Company toward an ever-increasingly safe working environment for construction workers in the State of Indiana.
